Who are You?

This year I'd like to get to know each of you in a way that really tells all of us who you are. Instead of the typical 'Get to Know You' activities done in the first week of school, I thought it would be more fun to try something new.

Project Description:
Make a video capturing 10 short clips that illustrate your identity and who you are. The video must be 60 seconds long (about 6 seconds per clip). It could be sent to me via email or YouTube. Feel free to use your phones or any applications you are comfortable with to edit your video.

Due Date:
Projects are due Friday, September 9 and will be shown in class. Email videos as an attachment or send the link to your YouTube video. Vimeo and iMovie are great programs to

Email me with any questions you have, but keep in mind this project is open-ended and up to you to decide how to complete it. Be unique! Create a soundtrack with your favorite songs to play behind your clips.

HLVerdak@cps.edu

Project total: 20 points
